

CERTIFICATE OF COMPLETION

The Commissioner of the Department of Energy and Environmental Protection has made a final administrative decision that the Connecticut Yankee Atomic Power Company (CYAPCO) has completed its' obligations under Stewardship Permit No. DEP/NWM/CS-061-002 and under the Voluntary Remediation Program pursuant to Section 22a-133x of the Connecticut General Statutes. The permit was issued on October 23, 2007 for the CYAPCO facility, EPA ID No. CTD042306720, located at **362 Injun Hollow Road, East Hampton, Connecticut.**

Environmental investigation and remediation activities are complete at the facility. Opportunities for public comment were provided related to the environmental investigation and remediation. Opportunity for public comment was also provided related to the Commissioner's proposed disposition of the facility's permit status.

The issuance of this certificate is based on the completion of environmental clean-up work required by state laws and regulations, including RCRA Corrective Action and Closure, as determined by compliance with Connecticut's Hazardous Waste Management Regulations and Remediation Standard Regulations, as well as state and federal guidance. This clean-up is consistent with the requirements of Connecticut's Property Transfer Act defined in Connecticut General Statutes Sections 22a-134 and 22a-134(a) through (e), and may be used as the basis for submitting a Form II pursuant to Connecticut's Property Transfer Act.
